

By 2034, our goal is to reach 1 Million out of school children through free and quality education.

KINGSTON

NURSERY & PRIMARY SCHOOL, AKUTE

***A Tuition Free School for out of School
Children from underserved Communities***

PARTNERSHIP BROCHURE

OUR VISION

Founded on the 8th of August 2021, our Vision is to drastically transform the lives of out of school children living in underserved communities by providing Free, high-quality education, nutritious food, school uniforms, books, and essential resources. This will help to ensure access to quality education, end child hunger, promote healthy development, alleviate child poverty there by empowering every child to reach their full potential. The inspiration for the school arose from witnessing the stark educational disparities and the plight of out-of-school children in Akute, one out of many underserved communities in Ogun State, Nigeria. We believe that every child has the right to a quality education, regardless of their background or financial situation hence we envisioned a place where every child could access education, nutritious food, and the support they need to thrive, regardless of their socio-economic background.

SCHOOL FEEDING PROGRAM

To help our students focus on their studies without the worry of basic necessities, our education program includes healthy and Nutritious Meals provided daily to support all round development.

FREE BOOKS, UNIFORMS AND EDUCATIONAL RESOURCES

We also give them free school uniforms, textbooks, notebooks, and other essential materials at no cost. In order to ensure full and confident participation in school activities we focus on creating a supportive and inclusive learning environment where every child can thrive. This includes; a well-rounded curriculum, qualified and experienced educators, safe and well-equipped classrooms and learning spaces. Our Vision helps to promote the Sustainable Development Goals (SDGs) of ending child poverty (SDG 1), eliminating hunger (SDG 2), and ensuring inclusive and equitable quality education (SDG 4).

OUR GOAL

By 2034, Kingston Nursery and Primary School aims to reach 1 Million out of school children by providing free and quality education, food, clothing, and resources. By 2034 through strategic partnerships with forward looking individuals and organizations we would have established several impactful programs that align with the SDGs to end child hunger, ensure access to quality education, and alleviate child poverty. In order to achieve this goal, we seek to expand our network of schools and community centers in several underserved communities, develop sustainable initiatives that ensure the long-term impact and scalability of our programs and advocate for policies and practices that support the rights and needs of out-of-school children. Our commitment to these goals will enable us to create lasting change, offering hope and opportunities to the children who need it most.

OUR SUCCESS STORIES

OUR SUCCESS STORIES

Susan's Path to a Bright Future

Susan Ukata, a 13-year-old girl, had been out of school for 4 years due to financial difficulties. After her Dad's death, her mum couldn't afford school fees, uniforms, or books. When she joined Kingston Nursery and Primary School, everything changed. Susan received free uniforms, textbooks, and a daily nutritious meal, which helped her focus on her studies. Today, she excels in science and participates in the school's Music club, where she is developing her music and leadership abilities.

Quote from Susan's Mother

"Kingston Nursery and Primary School has given my daughter a second chance. She's happier, healthier, and more confident. We are forever grateful to Kingston and to all those who are supporting this great vision. If not for you my daughter would have become a street child. Thank you!"

OUR SUCCESS STORIES

FROM STRUGGLES TO SUCCESS: PROSPER'S JOURNEY TO ACADEMIC EXCELLENCE

Prosper Anthony faced numerous challenges before joining Kingston Nursery and Primary School. His Father, an Okada rider struggled to make ends meet, and Prosper had never attended school regularly. He was 3 years out of school before he got the scholarship admission. At 7 years old he could not read nor write but Since enrolling, Prosper has transformed into a confident and eager learner. Prosper is now one of the top students in his class. His favorite subject is mathematics, and he dreams of becoming an engineer.

Quote from Prosper

"I couldn't spell and read before coming to Kingston and my Teacher was tired of me but today, I am a confident student and I love mathematics. I thank my teachers, my Proprietress, my Director and everyone that is supporting my school so I can continue learning."

OUR SUCCESS STORIES

EMPOWERING FAMILIES: THE BLESSED STORY

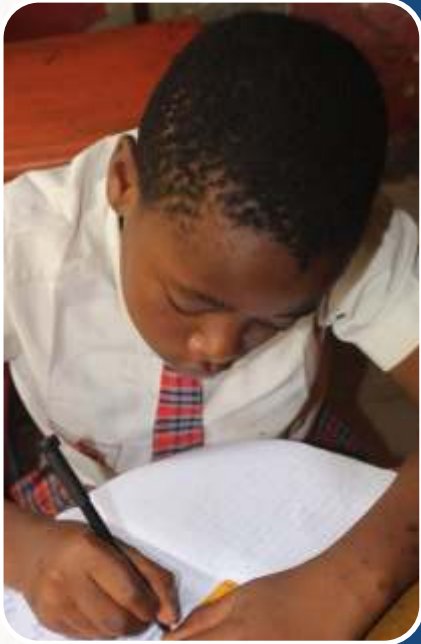

The Family of Chidinma and Miracle Blessed faced significant hardships when Mr. Blessed lost his job. With four children to support, the family struggled to provide basic needs, including education. Kingston Nursery and Primary School stepped in, offering not only free education and meals for 2 out of the 4 children but also resources and support for the entire family. Now, the Blessed children are thriving in their studies, and the family is on a path to stability.

Quote from Mrs. Blessed

“The support from Kingston Nursery and Primary School has been a blessing. My children are getting a quality education, and I’ve been able to find hope again. We have hope for a better future. Thank you Kingston Nursery and Primary School and a big thank you also to all the partners”

OUR SUCCESS STORIES

EDUCATIONAL INTERVENTION: THE ADEOYE'S STORY

When Nifemi and Esther Adeoye lost their Dad, their future seemed bleak and their education became a mirage until Kingston Nursery and Primary School gave the two girls scholarship admission into the Free School. Now they are happy, healthy and have hope of a bright future.

Quote from Mrs. Adeoye

Thank you Kingston, without your help I wonder where my girls would have been?

OUR SUCCESS STORIES

Quote from a Community Leader

“Kingston Nursery and Primary School is a pillar of our community. It’s not just about education; it’s about changing lives and building a brighter future for everyone.”

Hon. INAOLAJI
Community Leader APC Akute

TRANSFORMING LIVES: A COMMUNITY SUCCESS STORY

In Akute, the entire community has seen the positive impact of Kingston Nursery and Primary School. The school’s initiatives have not only transformed the lives of individual students but also strengthened the community. Through the Community Outreach Program, parents have received educational workshops on child development, health, and nutrition. This holistic approach has created a more supportive environment for children and improved the overall well-being of the community.

HOW YOU CAN PARTICIPATE

■ DONATE

Join us Transform Lives! Your generous donation will help provide free, high-quality education, nutritious food, clothing, and essential resources to out of-school children in underserved communities. Every contribution makes a significant difference. Join us in our mission to end child hunger, ensure access to quality education, and alleviate child poverty.

ADOPT A CHILD ■

Change a Child's Life! Sponsor a child at Kingston Nursery and Primary School and provide them with the resources they need to thrive. Your sponsorship ensures a child receives education, nutritious meals, clothing, and essential resources, paving the way for a brighter future. With N 50,000 per term, you can adopt a child and become the child's educational parent. This will help to ensure that child has a great future courtesy of your personal intervention and involvement

HOW YOU CAN PARTICIPATE

FUNDRAISE FOR US ■

You can become a Fundraising Champion and Influencer! by organizing a fundraising event, to support Kingston Nursery and Primary School within your sphere of influence. Your efforts will help us reach more children and provide them with the education and resources they need.

■ VOLUNTEER

Become a Change maker. Volunteer with Kingston Nursery and Primary School and help us make a tangible impact in the lives of children. Your time and skills can help us achieve our mission. Please join our team and be a part of the change.

HOW YOU CAN PARTICIPATE

■ PARTICIPATE

Participate in Our Events. Join us at our upcoming events to support our cause and connect with others who are passionate about making a difference. From conferences, donor awards, fundraising events, Guinness world record attempt to community outreach programs, your participation helps us continue our vital work.

CELEBRATE ■

One of the ways you can be a blessing to the students of our great school is by coming physically to celebrate with us. Your next Birthday party celebration or that of your child could be hosted in **Kingston Nursery and Primary School** to give the school children an opportunity to celebrate with you and to put a smile on their faces. Please contact the school proprietress on **0703 050 5047** to plan your next celebration with us.

ABOUT THE FOUNDER

Dr Victor Basola is an Advocate of Free Education in Africa. Driven by a profound belief in the transformative power of education for African children, Dr. Basola founded Kingston Nursery and Primary School a pioneering institution which provides completely free education to children from low-income families and underserved communities. The early days of Kingston Nursery and Primary School were marked by significant challenges. However, through relentless determination and the unwavering support of volunteers and donors, the school overcame these hurdles. Dr. Basola envisions educating 1 MILLION CHILDREN by replicating this free school in other remote communities across Nigeria. He believes this will substantially reduce the staggering number of out-of-school children in Nigeria. According to Dr. Basola, all children, regardless of their circumstances, deserve access to quality education.
